By The Way...

Thanks for visiting the Ocean Diner, where we've been serving homemade food with a smile for over thirty years. With the 1940's memorabilia (such as our toaster collection) and the Big Band music, we've tried to recreate a place where the food is freshly prepared and everyone is made to feel like they are at Grandma's house for a home cooked meal. Our baked goods are made daily from scratch so treat yourself to something from our dessert case. And don't forget to check out the Weekly Specials Board to see what we've created for your dining pleasure!
